# RX250 Optical Mouse

## The rebirth of a classic

The RX250 Optical Mouse, with its classic renowned design, offers consistent optical tracking performance with additional features truly enhancing the user experience. Tracking is smooth and precise, and 1000dpi resolution boosts an already exceptional performance. The Tilt and Zoom scroll wheel with its new comfort grip makes scrolling up, down, and sideways faster and more comfortable, especially in large documents. Its unique, comfortable, and ambidextrous shape make it a durable, comfortable choice for working long hours, whether for left- or right-handed users. Its commercial white-box packaging has been optimised for system builders, integrators and value-added resellers. Comes with a 3-year warranty.

- Refresh of the classic B58 design
- Tilt Wheel + Zoom for 4-way navigation in large documents
- New Easy-scroll wheel with grid design for greater scroll comfort
- Increased resolution to 1000dpi for exceptional performance and tracking
- Certified for Windows Vista Premium editions
- USB to PS/2 Combo connector
- Available in black or white versions
- Commercial packaging optimised for the reseller channel
- 3 Year warranty
